

ABSTRACT

There are five courses for the SPARK 2014 in the AdaCore university (<http://university.adacore.com/courses/spark-2014/>).

Those course files in powerpoint format were all translated into Japanese including notes part.

(a) files

'ppt' directory includes the files in power point format and 'pdf' directory includes the files in PDF format, which were produced from the each powerpoint file with notes.

The naming rule of file is:

'J' + <original filename> + '_20170714'

└─ pdf

- | └─ J01_Overview_20170714.pdf
- | └─ J02_Flow_Analysis_20170714.pdf
- | └─ J03_Proof_Of_Program_Integrity_20170714.pdf
- | └─ J04_State_Abstraction_20170714.pdf
- | └─ J05_Proof_Of_Functional_Correctness_20170714.pdf

└─ ppt

- └─ J01_Overview_20170714.ppt
- └─ J02_Flow_Analysis_20170714.ppt
- └─ J03_Proof_Of_Program_Integrity_20170714.ppt
- └─ J04_State_Abstraction_20170714.ppt
- └─ J05_Proof_Of_Functional_Correctness_20170714.ppt

(b) fonts

I used the 'HGMaruGothicMPRO' fonts that is standard font and provided by Microsoft on installing the powerpoint software. And it is embedded in the PDF file.
